

Lyrics

Bachman Turner Overdrive

You get up every morning from your alarm clock's warning
Take the 8:15 into the city
There's a whistle up above and people pushin', people shovin'
And the girls, who try to look pretty

And if your train's on time, you can get to work by nine
And start your slaving job to get your pay
If you ever get annoyed, look at me, I'm self-employed
I love to work at nothing all day

And I'll be takin' care of business every day
Takin' care of business every way
I've been takin' care of business, it's all mine
Takin' care of business and working overtime, work out

If it were easy as fishin', you could be a musician
If you could make sounds loud or mellow
Get a second-hand guitar, chances are you'll go far
If you get in with the right bunch of fellows

People see you having fun, just a-lying in the sun
Tell them that you like it this way
It's the work that we avoid and we're all self-employed
We love to work at nothing all day

And we be takin' care of business every day
Takin' care of business every way
We've been takin' care of business, it's all mine
Takin' care of business and working overtime

Take good care of my business
When I'm away, every day

You get up every morning from the alarm clock's warning
Take the 8:15 into the city
There's a whistle up above and people pushin', people shovin'
And the girls, who try to look pretty

And if your train's on time, you can get to work by nine
And start your slaving job to get your pay
If you ever get annoyed, look at me, I'm self-employed
I love to work at nothing all day

And I'll be takin' care of business every day
Takin' care of business

every way I've been takin' care of business, it's all mine Takin' care of
business and working overtime to get

Takin' care of business Takin' care of business Takin' care of
business Takin' care of business

Takin' care of business every day Takin' care of business every
way Takin' care of business, it's all mine Takin' care of business,
working overtime

Takin' care of business Takin' care of business We've been takin' care of
business We've been takin' care of business

Takin' care of business Takin' care of business Takin' care of business

Michael Jackson – Man In The Mirror

I'm gonna make a change
For once in my life
It's gonna feel real good
Gonna make a difference
Gonna make it right

As I, turn up the collar on
My favorite winter coat
This wind is blowing my mind
I see the kids in the streets
With not enough to eat
Who am I to be blind?
Pretending not to see their needs

A summer disregard, a broken bottle top
And a one man soul
They follow each other on the wind ya' know
'Cause they got nowhere to go
That's why I want you to know

I'm starting with the man in the mirror
I'm asking him to change his ways
And no message could have been any clearer
If you want to make the world a better place
Take a look at yourself, and then make a change

I've been a victim of a selfish kind of love
It's time that I realize
That there are some with no home, not a nickel to loan
Could it be really me, pretending that they're not alone?

A willow deeply scarred, somebody's broken heart
And a washed-out dream
They follow the pattern of the wind ya' see
'Cause they got no place to be
That's why I'm starting with me

I'm starting with the man in the mirror
I'm asking him to change his ways
And no message could have been any clearer
If you want to make the world a better place
Take a look at yourself, and then make a change

I'm starting with the man in the mirror
I'm asking him to change his ways
And no message could have been any clearer
If you want to make the world a better place
Take a look at yourself and then make that
Change!

I'm starting with the man in the mirror
(Oh yeah!)
I'm asking him to change his ways
(Better change!)
No message could have been any clearer
If you want to make the world a better place
Take a look at yourself and then make the change)
You gotta get it right, while you got the time
You can't close your, your mind!

(Then you close your, mind!)
That man, that man, that man, that man

With the man in the mirror
(Man in the mirror, oh yeah!)
That man, that man, that man
I'm asking him to change his ways
(Better change!)
No message could have been any clearer
If you want to make the world a better place
Take a look at yourself and then make the change

Oh no, no no

I'm gonna make a change
It's gonna feel real good!
Chime on!
(Change)
Just lift yourself
You know
You've got to stop it
Yourself!
(Yeah! Make that change!)
I've got to make that change, today!
Hoo!
(Man in the mirror)
You got to
You got to not let yourself
Brother
Hoo!
(Yeah! Make that change!)
You know, I've got to get
That man, that man
(Man in the mirror)
You've got to move! Chime on!
Chime on!
You got to
Stand up! Stand up! Stand up!
(Yeah! Make that change)
Stand up and lift yourself, now!
(Man in the mirror)
You know it!
You know it!
You know it!
You know it!
(Change)
Make that change

Rise Up
Andra Day

You're broken down and tired
Of living life on a merry-go-round
And you can't find the fighter
But I see it in you so we gonna walk it out
And move mountains
We gonna walk it out
And move mountains

And I'll rise up
I'll rise like the day
I'll rise up
I'll rise unafraid
I'll rise up
And I'll do it a thousand times again
And I'll rise up
High like the waves
I'll rise up
In spite of the ache
I'll rise up
And I'll do it a thousand times again
For you

When the silence isn't quiet
And it feels like it's getting hard to breathe
And I know you feel like dying
But I promise we'll take the world to it's feet
And move mountains

Bring it to it's feet
And move mountains
And I'll rise up
I'll rise like the day
I'll rise up
I'll rise unafraid
I'll rise up
And I'll do it a thousand times again

All we need all we need is hope
And for doubt we have each other
And for doubt we have each other
We will rise
We will rise
We'll rise, ohh ohhh
We'll rise

I'll rise up
Rise like the day
I'll rise up
In spite of the ache
I will rise a thousand times again
And we'll rise up
High like the waves
We'll rise up
In spite of the ache
We'll rise up
And we'll do it a thousand times again
For you ohhh ohhh ohh ohhh ohh

Cat's in the Cradle
Harry Chapin
Copyright Story Songs Ltd.

My child arrived just the other day
He came to the world in the usual way
But there were planes to catch and bills to pay
He learned to walk while I was away
And he was talkin' 'fore I knew it, and as he grew
He'd say, "I'm gonna be like you, Dad
You know I'm gonna be like you."

And the cat's in the cradle and the silver spoon
Little boy blue and the man in the moon
When you comin' home, Dad
I don't know when, but we'll get together then
You know we'll have a good time then.

My son turned ten just the other day
He said, "Thanks for the ball, Dad, come on let's play
Can you teach me to throw?" I said, "Not today
I got a lot to do. He said, "That's OK."
And he walked away, but his smile never dimmed
And said, I'm gonna be like him, yeah
You know I'm gonna be like him."

And the cat's in the cradle and the silver spoon
Little boy blue and the man in the moon
When you comin' home, Dad
I don't know when but we'll get together then
You know we'll have a good time then.

Well, he came from college the other day
So much like a man I just had to say
"Son, I'm proud of you, can you sit for a while?"
He shook his head and said with a smile
"What I'd really like, Dad, is to borrow the car keys
See you later, can I have them please?"

And the cat's in the cradle and the silver spoon
Little boy blue and the man in the moon
When you comin' home, Dad
I don't know when but we'll get together then
You know we'll have a good time then.

I've long since retired, my sons moved away
I called him up just the other day
I said, "I'd like to see you if you don't mind"
He said, "I'd love to, Dad, if I can find the time
You see my new job's a hassle and the kids have the flu
But it's sure nice talking to you, Dad
It's been sure nice talking to you."

And as I hung up the phone, it occurred to me
He'd grown up just like me
My boy was just like me.

And the cat's in the cradle and the silver spoon
Little boy blue and the man in the moon
When you comin' home, Dad
I don't know when but we'll get together then
You know we'll have a good time then.

Lyrics Stressed Out
Twenty One Pilots

I wish I found some better sounds no one's ever heard,
I wish I had a better voice that sang some better words,
I wish I found some chords in an order that is new,
I wish I didn't have to rhyme every time I sang.

I was told when I get older all my fears would shrink,
But now I'm insecure and I care what people think.
My name's 'Blurryface' and I care what you think

Wish we could turn back time, to the good ol' days,
When our momma sang us to sleep but now we're stressed out.

Sometimes a certain smell will take me back to when I was young,
How come I'm never able to identify where it's coming from,
I'd make a candle out of it if I ever found it,
Try to sell it, never sell out of it, I'd probably only sell one.

It'd be to my brother, 'cause we have the same nose,
Same clothes homegrown a stone's throw from a creek we used to roam,
But it would remind us of when nothing really mattered,
Out of student loans and treehouse homes we all would take the latter.

My name's 'Blurryface' and I care what you think

Wish we could turn back time, to the good ol' days,
When our momma sang us to sleep but now we're stressed out.

We used to play pretend, give each other different names,
We would build a rocket ship and then we'd fly it far away,
Used to dream of outer space but now they're laughing at our face,
Saying, "wake up, you need to make money."

Wish we could turn back time, to the good ol' days,
When our momma sang us to sleep but now we're stressed out.

Mercy, Mercy Me
Marvin Gaye
Copyright Jobete Music Co., Inc.

Woo, ah mercy, mercy me
Things aren't what they use to be, no no
Where did all the blue skies go?
Poison is in the wind that blows from the
north and south and east
Woo mercy, mercy me mercy father
Ah, things aren't what they use to be, no, no
Oil wasted on the ocean and upon the seas,
fish full of mercury
And oh mercy, mercy me
Ah things ain't what they use to be, no no
Radiation underground and in the sky
Animals and birds who are living nearby are
dying
Oh mercy, mercy me
Ah, things aren't what they use to be
What about this overcrowded land
How much more abuse from man can she
stand?
Oh, na, na

The Climb

Miley Cyrus

I can almost see it
That dream I'm dreaming, but
There's a voice inside my head saying
You'll never reach it
Every step I'm takin'
Every move I make
Feels lost with no direction,
My faith is shakin'
But I, I gotta keep tryin'
Gotta keep my head held high

There's always gonna be another mountain
I'm always gonna wanna make it move
Always gonna be an uphill battle
Sometimes I'm gonna have to lose
Ain't about how fast I get there
Ain't about what's waiting on the other side
It's the climb

The struggles I'm facing
The chances I'm taking
Sometimes might knock me down, but
No I'm not breaking
I may not know it, but
These are the moments that
I'm gonna remember most, yeah
Just gotta keep goin',
And I, I gotta be strong
Just keep pushing on, 'cause
There's always...

Am I Wrong

Nico & Vinz

Am I wrong

For thinking out the box from where I stay?

Am I wrong

For saying that I choose another way?

I ain't trying to do what everybody else doin'

Just 'cause everybody doin' what they all do

If one thing I know, I'll fall but I grow

I'm walking down this road of mine, this road that I call
home

So am I wrong?

For thinking we could be something for real

Now am I wrong?

For trying to reach the things that I can't see?

But that's just how I feel

That's just how I feel

That's just how I feel

Trying to reach the things that I can't see(see,see,see)

Am I tripping

For having a vision?

My prediction

I'ma be on top of the world

Walk your walk and don't look back

Always do what you decide

Don't let....
